

# MAHALAXMI SERVICES

*Specialist In Anti Corrosion  
Paint Coating*

**MS-ACP GOLD**

**MS-ACP BLUE**

***Our Innovative Products.***

## WHY YOU NEED ANTI CORROSION PAINT COATINGS

- Enhances Life With Long Lasting Protection Without Affecting Heat Transfer & Pressure Drop
- Reduces Hvac-r Maintenance Cost By Protection Corrosive Damage, Gas Refilling & Capacity Loss.

WITH MS-ACP GOLD/BLUE

WITHOUT MS-ACP GOLD/BLUE

## UNIQUE FEATURES

- Prevent corrosion of HVAC-R equipment in coastal and marine areas.
- Hard & Flexible Coatings with Excellent Adhesion to the Surface
- Excellent Result in Paper manufacturing units & wastewater plant.
- Excellent resistant against chemical, acids and alkaline cleaners.
- Ideal for residential, commercial and industrial AC, HVAC, AHU, VRF and Chillers.
- Excellent anti-corrosion performance in any harsh environment.

## PRODUCT SPECIFICATION

- A Solvent based product with corrosion inhibiting ingredients and high content of polymer for diffusion control and heat conductivity.
- Improved wetting on hydrophobic surfaces makes the product very surface tolerant ( compared to other water-based coatings).
- Enhanced UV Resistance & Chemical Resistance for polluted & corrosive environment.
- Both products are **Time Tested & Lab Tested.**

## Lab Test

TEST REPORT  
Annexure 2 Experiment With Acid

After with Acid Exposure

## OUR CLIENTS

- Shree Sai Services (A-bad)
- Blue Star limited (Wada Factory)
- Innovative Engineers (A-bad)
- Network office Automation (Vapi)
- Arise HVAC Solutions pvt ltd (A-bad)
- K K Marketing (Rajkot)
- JPC Air Handlers Engineering (A-bad)
- Spento paper (india) LLP (Morbi)
- Anupam Rasayan Ltd (surat)
- Bell Multi Kraft pvt ltd (Morbi)

## CONTACT

📍 13/145, Parasnagar - 2, Sola Road, Naranpura, Ahmedabad - 380013.
